

## MARIA PRIADKA SCHOOL OF DANCE SUMMER 2017

---

The Maria Priadka School of Dance, Inc (MPSD), incorporated in 1973, is committed to providing comprehensive technical training to children and adults in the art of dance. Our approach enables students to evolve into not only confident performers, but to develop their self-awareness and the ability to express themselves; both emotionally and physically. Dancing school is an extension of the educational process; children, teens and even adults benefit from the study of this art form. It offers mental and physical challenges, stimulates memory and retention and provides an environment of discovery and growth that is conducive for success in future endeavors.
